Riviera Day School
Summer Assignments (Grades 2-5)
2025-2026

Dear Riviera Day School Students & Families,

This summer, students are required to complete the assigned reading in preparation for the upcoming school year. The math assignments are optional but encouraged for additional practice.

Reading & Language Arts:

Students are **required to read the novel** listed below for their grade level. During the first week of school, students will complete various activities and assignments in their Reading class that will assess their knowledge and comprehension of the required novel. These assignments and activities will serve as some of their first grades of the quarter.

Math:

Below are **optional math resources** that review key concepts and skills to help students reinforce their understanding over the summer. While these are not required or graded, we encourage students to take advantage of them to begin the school year with confidence and readiness.

Grade Level	**Reading (Required):**	**Math (Optional):**
Incoming 2nd Grade	*Pug Blasts Off: A Branches Book (Diary of a Pug #1)* by Kyla May	IXL Summer Boost Skill Plans: Click here
Incoming 3rd Grade	*Harriet the Spy* by Louise Fitzhugh	IXL Summer Boost Skill Plans: Click here
