RIVIERA PREPARATORY SCHOOL

2026–2027 Student Parking Guidelines and Regulations

Parking a vehicle on school property is a privilege for a limited number of juniors and seniors. Due to limited availability, submitting this application does not guarantee a parking space. **Spaces will be assigned on a first-come, first-served basis once all required documents have been submitted: the completed application, a copy of a valid Florida driver's license, automobile insurance, and vehicle registration.** The \$75 fee will be charged upon receipt of all documents. Seniors will have priority and must submit their materials by July 15, 2026. After that date, remaining spots will be opened to juniors. Students who are not initially assigned a space will be placed on a waiting list. You will be notified of your parking status and assigned space, if applicable, before the school year begins.

All completed applications must be emailed to Parking@rivieraschools.com

Student Parking Regulations & Expectations:

- Only registered vehicles may be parked on campus. Students who park on campus without proper registration will be subject to ticketing, may be towed, and may have future parking privileges may be revoked.
