

Riviera Preparatory School

2026-2027 Summer Reading Assignments Grades 6-12

During the summer, students are expected to complete the assigned reading in preparation for the upcoming academic year. Each student is required to read the novel designated for their grade level and English course placement. Students enrolled in AP-level English courses are required to complete both assigned novels over the summer as part of their advanced coursework preparation.

During the first week of school, students will complete English class assignments assessing their comprehension of the required reading. These tasks will count toward their first-quarter grades.

Riviera Preparatory School

2026-2027 Summer Math Assignments Grades 6-12

During the summer, students are required to complete the following math assignments designed to review and reinforce key concepts and skills in preparation for their next course. These assignments are intended to support a strong and confident start to the academic year. All work is due on the first day of school and will be recorded as a required assignment grade.

To access the Khan Academy practice assignments, please follow the steps below:

1. Go to khanacademy.org/join
2. Enter your class code and press "Add."
3. If you do not already have an account, press "Create a new account."
4. Enter your date of birth.
5. Sign up using your Riviera email. If you do not yet have one, use your own email address.
6. When prompted to enter your first and last name, please enter the student's name.
7. It may prompt you to re-enter the class code.
8. Click on "My Assignments" to begin the assigned practice for that course.
