

RIVIERA BULLDOG CHAIRS

JOIN THE SPIRIT AND DEDICATE A CHAIR!

“Take a Seat” and support the Riviera Schools Parents Club by dedicating a Bulldog Chair. The purpose of the Parents Club is to instill a sense of community and reinforce school spirit by providing enhancements and activities for the students, parents, teachers, and school. The Parents Club sponsors activities to encourage family time, academic enrichment, and just simple fun. When you dedicate a Bulldog Chair for use at the Prep School campus, an engraved plaque with your customized message will be permanently attached to the back of the chair. The Bulldog Chairs will be used at indoor sporting events and school functions and are made with heavy aluminum frames and durable thick plastic cushions.
