The required Enrollment Fee of $860 and Tuition Insurance Plan fee of $515, both non-refundable, are required upon enrollment (total $1,375). Upon acceptance by Riviera, Riviera enrolls the child and reserves the student’s place for the corresponding school year, and the party responsible for the student agrees to make all payments as detailed above and on the accompanying Tuition Policies.

Enrollment is made for the entire school year. For the convenience of parents, the tuition is divided into ten equal payments, payable the first of each month with the first payment due by June 1 and the final payment due by March 1. All accounts must be settled before transcripts and records can be released. Accounts that are past due over 30 days will be cause to immediately terminate student enrollment at the school’s discretion.

All students in grades 4 through 12 receive a personal computer tablet as a part of the educational materials provided by the school, for use on and off campus, according to the terms of the Tablet Agreement.

A complete lunch program is included with the tuition fees for all students (except half-day preschoolers). After School Care for students in preschool through fifth grade will be charged at the rate of $20.00 per day for anyone not registered for monthly After School Care.

All parents will automatically be enrolled in the Riviera Schools Parents Club. A yearly $50.00 fee for dues will be charged for each child registered in school.
