

The Riviera Schools Parents Club (RSPC) is a non-profit organization* that benefits the students of Riviera Schools in Miami, Florida. Our purpose is to raise funds for a variety of academic and social programs that will enrich the educational experience for our children.

Established in 1950, Riviera continues to stand as one of South Florida's premier educational institutions. With two campuses, Riviera is home to a diverse population of boys and girls in preschool through twelfth grade. Our students are leaders, scholars, humanitarians, athletes, artists, musicians, and so much more. Our hope is to foster those qualities and encourage these students to positively impact the world around them.

This is the first time we are offering Athletic Sponsorship packages. There are two different packages to choose from according to your marketing needs. Our athletic programs are very competitive and draw large crowds to cheer them on to spectacular winning moments! Your athletic sponsorship will help with all aspects of our athletic program while giving you maximum exposure for your company.

We look forward to your participation as a Athletic Sponsor of the Riviera Schools Parents Club. Attached please find the sponsorship packages for your review.

To demonstrate your support, please complete and return the enclosed sponsorship form. If you have any questions, please contact Anna Feiler at amf226@yahoo.com or 305-803-2410.

Thank you very much.

Sincerely,

Anna Feiler
