

The Used Uniform Sales Program is a service that the Riviera Schools Parents Club is offering to all Riviera families. This program is designed to provide an easy way to buy and sell used school uniforms.

Here is a brief overview of how the program works:

1. Every item has a fixed price of \$10.
2. Parents who want to sell gently used uniforms will contact the program administrator via email to provide information on the items.
3. Parents interested in purchasing used uniforms will contact the program administrator who will match buyers and sellers.
4. Sales are made directly between buyers and sellers. The school and/or program administrator will not hold any inventory or be responsible for any transactions.

If you wish to sell items, please include the following information in your email to the program administrator to list your items for sale:
